EXPO AREA

Free admission / Open to the public.

Located at Plaza de la Sal, next to the flags and the beach access.

A spacious esplanade featuring all types of companies related to recreational boating: Equipment, safety, associations, institutions, schools, clubs, deck hardware, accessories, federations, marine apparel, clothing stores, gear, product testing, charters, activities for children, etc. The perfect combination of the nautical sector: Sport, industry, and tourism, all in one area.

Water area featuring boats, activities, and sea trials.

FOOD TRUCK ZONE LOCATED ON THIS SAME ESPLANADE

DRY MARINA

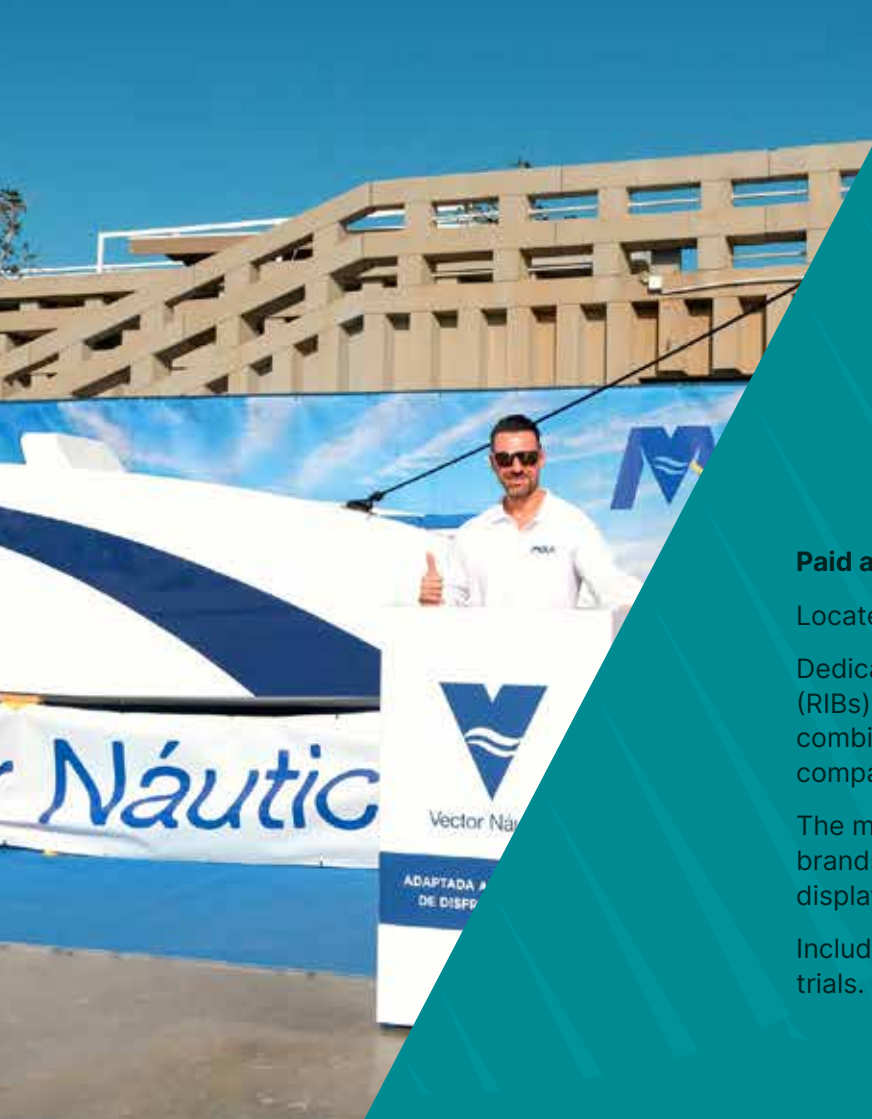

Paid admission or by invitation

Located on the Veles e Vents esplanade.

Dedicated to brands of rigid boats, semi-rigids (RIBs), inflatables, and tenders/dinghies, in combination with all types of nautical industry companies: Marinas, towers, electronics, refit, etc.

The main brands in the sector, as well as new brands, offer their latest products in this space, displayed on cradles or trailers.

Includes a water area for boats on display and sea trials.

Floating Area

A workspace on the water designed for professionals:

Exhibition and sale of new vessels and the latest innovations from leading national and international shipyards, as well as companies providing electronics, maintenance, engines, sustainable solutions, accessories, and adjacent services.

Located around the Veles e Vents building, in the canal, next to the docks to allow for sea trials.

Access with ticket or invitation

Gastro Areas

2 areas with quality restaurants:

Veles e Vents

Fine-dining restaurants showcasing Valencian gastronomy based on locally sourced produce.

A unique experience in the city's most privileged location.

Zona Foodtrucks

A more informal option requested by exhibitors, located in the new area next to the Dry Marina Area, in Plaza de la Sal.

VELES E VENTS

VELES E VENTS BUILDING

INNOVATION

17

MARINA PORT VALENCIA

**VALENCIA
BOAT
SHOW**

AI AS AN ESSENTIAL ALLY TO CONNECT, SERVE AND EVOLVE.

MARINA, the AI assistant who speaks all the languages of the sea, offers users a unique experience.

Available at any time and in any language, Marina provides both commercial support and personal assistance to exhibitors, helping with any management needs.

NAUTICHUB, the first marketplace linked to a boat show, open all year round with no limitations. Included at no cost for VBS exhibitors, allowing them to showcase boats and products even if they are not physically present at the fair.

The platform is also open to external companies, encouraging internationalisation and generating new business opportunities.

AI as an essential ally to connect, serve and evolve.

ORGANISATION & TEAM

PROMOTER & ORGANISER

Unión Empresas Náuticas (UEN)

A team made up of representatives from nautical companies with extensive experience in organising and participating in boat shows.

An event organised by the nautical sector, for the nautical sector.

A unique know-how that allows a deep understanding of the needs of exhibitors, sponsors, institutions and visitors.
